Celsius Solid Roof System

Description

This is an assessment of the Celsius Solid Roof system manufactured by Aperture Trading Ltd. It is a lightweight solid roof intended as an alternative or a replacement to glazed roof systems on conservatories.

This Registered Solution applies to the roof only. It is designed to fast-track, not remove, the requirement to obtain Building Regulation Approval through LABC. This can only be demonstrated through a Completion Certificate issued following satisfactory inspections made as part of a valid Building Regulation application by Local Authority Building Control teams.

Scope of Registration

Due to space limitations, the Registered Detail certificate should be consulted for the full scope of this registration.

Validity

This system has been checked for compliance in accordance with English, Welsh and Scottish Building Regulations

Registration was first issued on 29/06/15 and is valid until 14/10/20 providing there are no amendments to applicable regulations.

Issue dated 07/10/2019
